

City Bible Church is looking for a full-time Associate Pastor.

CBC is an independent church literally based in the heart of V8 race circuit in Frankton, Hamilton. Our vision is “To be Equipped to Reach Out” - reaching out to God, reaching out to each other in the family, and finally a sharp focus on reaching out to the last, the least and the lost both locally and globally.

CBC is a growing, young church that is wanting further develop its mission, locally through the Agora Community Trust (www.agora.net.nz) and Globally, with a growing partnership in Thailand. We also recognise our need to build strongly into our own church community through New Comer Connections, Life Groups and Youth Ministries.

We are looking for an Associate pastor is focused primarily on this second need, to build into our own church community.

The Associate Pastor would be responsible for:

- Overseeing Life groups, Youth Ministries & New Comer Connection.
- Recruiting, training and on-going support for the Leaders of these areas.
- Coordination of general and specialist Pastoral Care.
- Overseeing Communication within the Church.

Some recent challenges that have resulted from our growth and mission has been the welcoming of over 30 Columbian Refugees into our CBC Family (so Spanish would be a bonus). Other possible roles dependent on gifting could include Administration, Teaching and Finances.

The Associate Pastor would need to have a love for God, His Church and for the lost. As well as a Pastoral heart they would need to be well organised and proactive. Alignment with our Vision and Values would be essential.
